

75th Anniversary Celebration!

Saturday, September 24th

After serving the community for 75 years, we'd like to invite the community for our celebration. We will be open to all who'd like to come enjoy our facilities. Whether you're are a seasoned shooter or a complete novice. We have state certified instructors who will be at the community's disposal. Come celebrate with us. We think you'll like what you find at our great club. If you are a veteran or current military we'd like to buy the first shoot on us. We will provide all the equipment needed, just show up for fun. Kids are also welcome. Hope to see you out there.
